## THE HOT LIST

My selection of best buys – My favourite have-to-have's, tried and true, road tested, can't-get-by-without pieces.

**THE COLOUR** Ultra Violet – Princesses, queens, prime ministers and red carpet celebrities all choose ultra violet.

**CAMISOLE** In Cocoon Jersey – In Winter, they go under everything to give extra warmth. I love the ultra violet under the ultra violet sweater. In Summer, I use them as a base under jackets and shirts.

**VELVET** I don't go anywhere without my Grace Coat (and velvet pants).

**CUDDLE KNIT** I love the leopard print (and the hug scarf with pockets).

**PONTI PANT** New best friend – the warm, comfortable Yoke Pant.

**LACE CAMI** Live in it Summer and Winter

**TRENCH** Stylish, easy to wear, knee-length coat.

**LAYER SKIRT** The most slimming skirt on the planet.

**WEEKENDER** I have the black, red, and ultraviolet and never leave home without them – pretty colours over black pants to brighten up a winter's day.

**PRETTY SHIRT** Add personality with a clever print.

## LOVE THAT COAT
